Our Capabilities

VMC

CNC Turning

CNC Turn-Milling

Precision Component Manufacturing

Prototype Development & Batch Production

Tight Tolerance Machining

Machining of Steel, Stainless Steel, Aluminum, Brass, Copper & Special Alloys

Machine Infrastructure

VMC - 762x508x508MM (HASS) – 1 No

VMC - 700x400x400MM (BFW) – 1 No

VMC - 1500x670x625MM (DOOSAN) – 1 No

VMC - 950x520x480MM (BALTLI BOI) – 1 No

S Turn 1 CNC Lathe – 165 mm Dia (LMW Make) – 2 Nos

S Turn 1 CNC Lathe – 210 mm Dia (LMW Make) – 2 Nos

Smart Turn 1 CNC Lathe – 165 mm Dia (LMW Make) – 2 Nos

TurnMill – 210 mm Dia (LMW Make) – 1 No

Measuring Instruments

Vernier Calipers, Micrometres, Bore Gauges, Height Gauge, Dial Indicators, Surface Plate, Thread Gauges, Plug Gauges and other precision inspection instruments.

ISO / Quality Certifications

Bunny Industries is committed to implementing and maintaining robust quality management systems in line with international standards. Our quality system is aligned with ISO 9001 requirements, focusing on:

Customer satisfaction through consistent product quality

Process approach and risk-based thinking

Continuous improvement of manufacturing and quality systems

Compliance with statutory and regulatory requirements

Documentation, traceability, and control of records

Key Management Team

Mr. S. Varatharajaperumal Role: Operations Management, Production Planning, Purchase & Vendor Development, Business Administration, Customer Coordination. Mobile: +91 93643 60603

Quality Control Policy

We are committed to delivering defect-free products by implementing stringent quality control systems at every stage of production, from raw material inspection to in-process and final inspection, ensuring compliance with customer and industry standards.

Vision

To become a preferred and reliable VMC & CNC machining partner by delivering world-class quality, precision, and service.

Mission

To provide innovative, cost-effective, and high-precision machining solutions while maintaining the highest standards of integrity, safety, and customer focus.

Manpower

Our team comprises skilled VMC & CNC operators, programmers, quality engineers, and production supervisors with extensive experience in precision machining and process control.

Group Customers / Major Customers

Bunny Industries is part of a group of manufacturing companies serving leading OEMs and Tier-1 customers across automobile, automation, aerospace, and medical sectors. The promoters bring long-standing relationships and proven performance with reputed customers through their group companies.

Some of our key group customers include:

Ashok Leyland

Tata Electronics

Sheffler India Ltd

Hubbel India P Ltd

Mini Aero space

Titan Engineering and Automation

SFO Group companies
